STIPULATION

Plaintiff LELAND BRAY ("Plaintiff") and Defendant MESSMORE KENDALL ("Defendant") (collectively, "the Parties") hereby request a three-week continuance of the deadlines for filing the additional briefs requested by the Court regarding jurisdictional and venue issues raised by Defendant's Motion to Dismiss. Plaintiff has recently obtained new counsel in Mexico and has represented that translated title transfer documents addressing the Parties' needs will be made available for Defendant's review in the near future. If these title transfer documents are found to be acceptable, the Parties believe they can resolve this matter without further involvement of the Court.

1 The Parties understand that no further extensions will be granted on this matter and, if
2 the requested continuance is granted and the Parties are unable to resolve this matter, that the
3 Court will make a determination regarding Defendant's Motion to Dismiss based on the filed
4 documents alone.
